

# RUFai MAHAMMUD ABOLAJI

## FRONT-END AND ROBOTICS ENGINEER

Lagos, Nigeria | [mahammudabolaji@gmail.com](mailto:mahammudabolaji@gmail.com) | 09079682962

### PROFILE SUMMARY

Passionate Frontend Developer with over 2 years of experience building attractive and functional websites. Skilled in using modern JavaScript frameworks (React Js and Vue Js) and creating responsive designs that work well on all devices. Always eager to learn new tools and improve coding practices.

### SKILLS

- **Web Development:** Skilled in building responsive and user-friendly websites using HTML5, CSS3, and JavaScript.
- **Frameworks & Libraries:** Proficient in Vue JS, React JS, and Bootstrap for streamlined development.
- **Version Control:** Experienced in using Git for managing and collaborating on code projects effectively.
- **Problem Solving:** Adept at analyzing technical issues and providing efficient solutions.
- **Collaboration:** Strong teamwork and communication skills, ensuring seamless project execution.

### WORK EXPERIENCE

#### Frontend Developer, Tech Talent Academy

January 2024 – Till date

- Learnt the fundamentals of HTML, CSS, and Bootstrap for building responsive and visually appealing web pages.
- Completed an intensive training program in JavaScript, specializing in ES6+ features and asynchronous programming.
- Collaborated effectively on team projects, utilizing Git for version control and mastering branching, merging, and pull requests.
- Actively contributed to open-source projects on GitHub, improving code quality and participating in constructive peer reviews.
- Designed and developed interactive web pages using Vue.js, enhancing user interfaces with functional.

**Robotics Instructor, Tech Talent Academy**

**November 2024 – Present**

- Completed an intensive training program on robotics and programming using Arduino.
- Guided students in building functional robotic projects, including Smart traffic light system.
- Taught the basics of programming and circuit design, ensuring students understood key concepts.
- Organized and supervised team-based competitions to enhance collaborative problem-solving skills.

**EDUCATION**

**CERTIFICATION**

**DATE**

Federal Polytechnic, Offa

National Diploma (**ND**)

2021 – 2023

Federal Polytechnic, Offa

Higher National Diploma (HND)

2024 – To date
